

## Winter Camp Park

*A Community Gathering Place*

---

### Memorial Day Weekend Pot Luck at Winter Camp Park

**REMINDER** - As mentioned in the April Winter Camp Park Newsletter, there will be a Community Pot Luck Picnic in the Park on **Saturday, May 26, starting at 5:00 p.m.** It will be at the first pavilion – which now has electricity, if you need it! Come join your neighbors and bring your favorite dish to share. Also bring personal beverage of choice. This is open for all Woods residents, homeowners, and your guests. Although the park is wet from all the rain we've had lately, with better weather this week it should dry out some. However, we recommend that you not park within the park this weekend, as you may get stuck.

If anyone has paper or plastic products you'd like to contribute for the pot luck, please let us know by Wednesday evening. Just contact us at [wintercamppark@wintercamppark.com](mailto:wintercamppark@wintercamppark.com).

Come to the park on Saturday to socialize and celebrate with your neighbors at The Park!

If you can't make it this weekend, come join in at the Weekly Wednesday evening socials at 5:00.
