Restroom Update & Fundraiser

As mentioned before, our major project this year is the construction of a Restroom Facility. The projected cost for this endeavor is approx. \$40,000. The following pictures depict the exterior and interior design. As of 18 July, we have raised \$1640 for Phase 2.

Phase 1 (\$7,500) included the installation of the water and sewer. **Completed!**

Phase 2 (\$20,000) includes the excavation and construction of the exterior structure, including the doors, windows and interior walls. From January to July 2022, we have received \$1,640 as well as some donated foundation blocks.

Phase 3 (\$10,000) includes outfitting the interior with electrical, plumbing, painting, etc.

We have decided to have a "Special Restroom Fundraiser". As depicted below,

we have shown estimated costs associated with the construction. The building exterior needs to be built first before we can outfit the interior. The items listed from bottom to top are the order of the exterior construction phase; the interior items are what we need to become fully operational. If you are willing to help with this significant upgrade to the park, we will happily accept your contributions. Just specify that it is for the Restroom. Go to the [Contribute](#) page to see ways to donate.

Wednesday and Friday Social Events

Every Wednesday from 5-7pm folks get together to eat, drink and have fun. The potlucks will not make you go home hungry; desserts are outstanding! Average attendance is around 40.

This year we kicked off a Friday social for the weekend folks. We tried and it had minimal participation, but the pavilion is open for other events and reservations by request.

Pavilion Reservations

If you need to reserve any of the pavilions, please go to our [Reserve Pavilion Form](#). Before filling out the form, please check the [Calendar](#) first to ensure it is available on the day and time you want it. Please read the pavilion form carefully. Donations for using the pavilion(s) are greatly appreciated and critical to the maintenance and upkeep of the park, including electric and water bills, grass cutting, etc.

On Going Projects

Since our April newsletter, we now have running water at pavilion #1. Next to this pavilion, we brought in truckloads of slate and gravel and added better parking spaces. The event stage is almost completed; still need to add the final floor covering and a retractable weather cover.

As you enter the park, there is a walking path on the right side. Assuming all goes well, we will be adding additional parking areas with a turnaround at the end of the parking area. We have a Corporate Friend who is donating their equipment, time and materials. Thank You!

Need firewood for the coming winter? We have some downed trees; you cut them up and take them home. If you need more information, please email [WCP](#).

Our Generous Neighbors and Friends

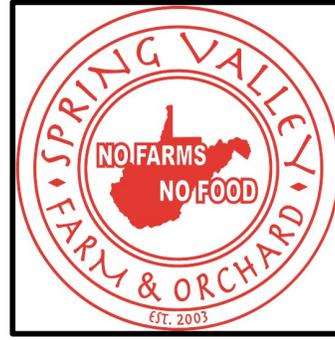

We continue to invite all our previous Friends to rejoin us as a 2022 Friend of Winter Camp Park this year! The 2022 stickers are here, and we would be delighted for you to have one. We also invite all other homeowners and residents to join the program. With the continued support of our community, we will be able to further enhance the Park for the whole Woods Community to enjoy. For more details on becoming a "Friend" check out our [Contribute](#) page.

Corporate Friends of Winter Camp Park

Since our last newsletter, we have added 2 new sponsors

As you click on the corporate sponsors' logos, you will be linked to their respective website or email address. Check out the [Supporters](#) page on how you can help. If you use any of our supporters, mention that you saw their ad in the WCP Newsletter and thank them for their support.
