### Special Construction Announcement

This announcement is to inform all that we are presently in a major construction phase at the park.

**The park will be closed this Wednesday through Sunday (10-14 August 2022) from early morning until 4pm.**

We have been taking down dead trees and cleaning up all down trees/stumps.

Additionally, we have been in the process of adding additional parking places to the right side of the creek.

There will be construction vehicles and numerous dump trucks delivering the gravel.

The main entrance will be blocked off during the work hours but will be removed at 4pm every evening.
