### Wednesday and Friday Social Events

Spring is almost here! We hope that you will plan to join old and new neighbors at some of the weekly potlucks at the park.

**6 April (Wednesday)** starts the kick-off of the weekly summer get togethers.

**8 April (Friday)** kicks-off the new "Friday" weekly potluck with a food truck from Deez Donutz & Boardwalk Fryz (see menu below) to join us for this inaugural event. Depending upon participation, food trucks and local musicians may become a monthly feature on Fridays. **NOTE: There will be no Friday potluck on 15 April due to religious observances.**

These socials start at 5pm and normally last for about 2 hours. Bring your own beverage and a dish to share (we have electric). We provide all paper products.

## Park Cleanup - Volunteers Needed

In our Winter Newsletter, we asked for volunteers for our annual cleanup on Monday, 28 March at 9am. We only received 3 responses and we need **MORE!!!**

Volunteers with gloves and those with gas or battery-powered leaf blowers are needed (there will be significant leaf blowing to be performed). We are not taking down any trees but bring your chainsaw in case we need to cut up fallen branches. We will also re-stage all the picnic tables and set up the volleyball net in the center area.

If the weather becomes a problem, the cleanup will occur on Wednesday,

March 30.

If you can volunteer, please email us [here](#), so we can have an idea of who is coming!

## Our Generous Neighbors and Friends

We invite all our previous Friends to rejoin us as a 2022 Friend of Winter Camp Park this year! The 2022 stickers are here, and we would be delighted for you to have one. We also invite all other homeowners and residents to join the program. With the continued support of our community, we will be able to further enhance the Park for the whole Woods Community to enjoy. For more details on becoming a “Friend” check out our [Contribute](#) page.

Since the beginning of 2022, we have received a good amount of funds toward the construction of restrooms, but we are still significantly short of our goal of \$25K. Despite the cold months, we are close to completing the installation of the county water and sewer lines to the new restroom location. We understand that the cost of living has increased significantly during the past months, and we feel your pain. We appreciate any monies you can donate to this enhancement of Winter Camp Park. The timing of the restroom construction will be based on funds received.

## Corporate Friends of Winter Camp Park

Since the Winter Newsletter was issued 6 weeks ago, we received 2 renewal sponsors (Brown Funeral Home and C&C Lawn Care) and 1 new sponsor (Spring Valley Farm Market).

Spring Valley Farm & Market (aka - Butler's) is located at 1793 Dry Run Road, Martinsburg, WV. The owners are Eli & Misty Cook. The quality of their produce is outstanding and many of The Woods folks normally stop by for the produce and also for their landscaping needs.

As you click on the corporate sponsors' logo it will take you to their respective website or email address. Check out the [Supporters](#) page on how you can help. If you use any of our supporters, mention that you saw their ad in the WCP Newsletter and thank them for their support.
