Opening of Wednesday Social Get Togethers

Wednesday, April 7th, will be the kick-off for our weekly social when neighbors, friends and their guests can come and meet other Woods families. This event occurs every Wednesday, rain or shine, under the large pavilion. We start at 5PM for about 2 hours or until dark. Folks normally bring their own drinks and often food to share. You can optionally bring hot (we have electric) or cold appetizers or main dishes, salads, desserts, soups, chili, chips, etc. to share.

Park Cleanup - Volunteers Needed!

Now that the weather has changed, it is time for our yearly park cleanup. We have scheduled Tuesday, March 30 at 9AM. Volunteers with gloves, hard rakes, and hand-held or backpack blowers are needed. We are not taking any trees down, but bring your chainsaw in case we need to cut up fallen branches. We will also re-stage all the picnic tables and set up certain games in the center area.

If the weather becomes a problem, the cleanup will occur on Wednesday, March 31.

If you are able to volunteer, please email us [here](#), so we can have an idea of who is coming!

Vandalism - Not Good!!!

After 5+ years since opening up Winter Camp Park for the enjoyment of The Woods community, we have encountered vandalism in the park. Someone tried to steal the small storage bin that was holding products used for our social events and parties (nothing valuable). They attempted to rip the bin off the wooden columns, but had no luck. That damage has been repaired. Then, we had some wood stolen that we had used as floor stages for our special events. Lastly, which is a major concern to all, it seems that someone tried to set small fires in the pavilion. These acts are very serious and when the perpetrators are caught, we will prosecute to the fullest extent of the law! If anyone sees any suspicious activity, please email us at WCP.

Upcoming Events

The partners of Winter Camp Park will be having their quarterly meeting to discuss our events for the summer. As soon as the plans are finalized, another newsletter will be sent toward the end of April.

Friends of Winter Camp Park

We invite all our 2019 and 2020 Friends to rejoin us as a 2021 Friend of Winter Camp Park this year! The 2021 stickers are here, and we would be delighted for you to receive one. We also invite all other homeowners and residents to join the program. With the continued support of our community, we will be able to further enhance the Park for the whole Woods Community to enjoy. It is open to all residents of The Woods and their guests, free of charge. For more details on becoming a "Friend" check out our [Contribute](#) page.

Corporate Friends of Winter Camp Park

Last year we initiated the Corporate Friends of Winter Camp Park program as a way for companies doing business in The Woods to show their support for our community – and acquire some advertising at the same time. Our current Corporate Friends are shown below as well as on the website and WCP bulletin board. Letters have been sent to companies who do business in and with the Woods community, inviting them to participate in the 2021 program for an annual donation of at least \$250. If you click on the 2021 corporate sponsors' logos below, you will be taken to their respective website or email address. Check out the [Supporters](#) page for more information about our Friends, and the [Contribute](#) page on how you can become a Corporate Friend. If you use any of our supporters, mention that you saw their ad in the WCP Newsletter and thank them for their support. If you don't see them listed, you might want to mention this program to them.
