

Winter Camp Park

A Community Gathering Place

24 February 2023

Established 2015

Winter Camp Park is being built and maintained solely with contributions of funding, time and talents of neighbors within The Woods community. The park is open to all Homeowners, Residents, and their Guests.

NO MEMBERSHIPS, NO FEES!

Our goal is to continue to create and maintain it solely with volunteer funding.

It is privately owned by a group of homeowners and is NOT associated with WHOA, PVP, or The Woods Club.

Donations are greatly appreciated!

Restroom Update

Since our last newsletter 6 weeks ago, the weather has finally cooperated, and we resumed working on the project. On Monday, 20 Feb, the first layer of concrete pad/flooring was poured; next week we will pour a leveling concrete mixture, then start the interior walls. We really want to finish this project this spring, so we don't have to get a porta potty again, and pay for it, and that there are better facilities for all our Park guests! Some of our Corporate Friends will again be having a music festival on Labor Day Saturday with two bands as a fundraiser for the restroom, but we don't want to wait until then to get money for the restrooms. If we raise enough now, we can make that a thank you concert! We need about **\$18,000** to fully complete the project. Please consider donating to this project NOW. We have acquired a short-term loan to get us started until your funds come in.

We absolutely appreciate your generosity so far and hope that you can do this one more time. Please consider a donation of any amount by going to our ["Contribute"](#) page and click on the PayPal link at the bottom (and an email to [WCP](#) specifying "Restroom") or write a check to Winter Camp Park and specify "Restroom".

Also, if you have skills and want to donate your help with the interior installation (electrical, plumbing, painting, wall and hardware installation), let us know. The more volunteers we get, the less labor money we will need to spend.

Tree Damage Update

As noted in our January newsletter, 3 large trees uprooted and a 4th one was leaning near the gravel walkway between the 2 pavilions. WCP partners with volunteers Paul Tyson and Scott Murphy (Woods neighbors) were able to tackle the damage. Codey Knepper from C&C Lawn Care (who is one of our corporate sponsors and also cuts our grass at the park), donated his company to cut and mulch the small branches and twigs.

3 Down Trees and the Leaner!

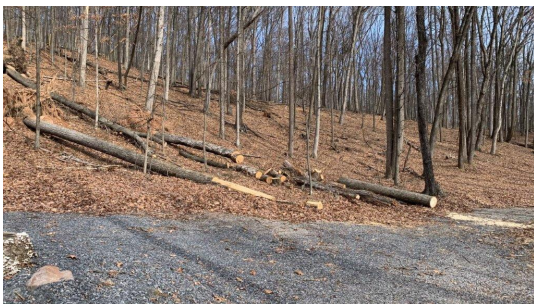

Down Trees Blocking the Pathway!

Leaning Tree Dropped! With a precise drop by Scott Murphy, no others were damaged. Thanks, Scott!!!

The length of the leaning tree was around 80+ feet.

Still some logs left if you need some!

All Done!

Park Cleanup - Volunteers Needed - REMINDER

Scheduled for **Wednesday, March 29 at 9AM**. Volunteers with gloves and gas or battery-powered hand-held or backpack blowers are requested (there will be significant leaf blowing to be performed); need to pick up fallen branches, and re-stage all the picnic tables.

If the weather becomes a problem, the cleanup will occur on Friday, March 31 at 9AM.

To date, we have only 3 folks who have volunteered; more is needed!!! If you can volunteer, please email us [here](#), so we can have an idea of who is coming!

Wednesday Social Starts Soon

Wednesday, April 5th, will be the kick-off for our weekly social when neighbors, friends and their guests can come and meet other Woods neighbors. This event occurs every Wednesday, rain or shine, under the large pavilion. We start at 5PM for about 2 hours. Folks bring their own drinks and often food to share.
