**Labor Day Weekend Music Festival
Reminder!
CORRECTED VERSION**

**I MADE A BIG MISTAKE THIS MORNING. THE DATES ON
THE FLYER IS CORRECT. THE DATES IN THE BELOW
WRITEUP SHOULD HAVE BEEN 3rd AND 4th!
SORRY!!!**

Hello Friends!

We wanted to send out an email with a reminder and some information regarding our upcoming Labor Day Music Festival!

Who Can Attend?

All residents of The Woods and their guests are invited to spend the weekend with their neighbors and listening to great music and eating great food!

What Is It?

This is a chance to come together with your neighbors and listen to some great music! There will be a different band each day - see the below flyer for more information on those. There will be a BBQ truck on site as well as a Snow Cone truck! Food will be available for purchase from both vendors.

When Is It?

The Festival will take place over TWO days this year -**September 3rd and 4th**. The park will "open" at noon and music is planned to start around 1pm.

Where Do I Sit?

We are taking reservations for the picnic tables as a fundraiser for our bathrooms this year. See below for information on how to reserve one. They are very limited!

If you choose not to reserve a table, or miss out on their availability, you ARE permitted to bring your OWN tables, chairs, food, drinks, etc., into the park! Lots of folks brought their camp chairs last year! We do ask that if you would like to bring a shade tent that you set up in the back of the park OR off to the side - an area will be indicated for folks wishing to do so. There are LOTS of trees to sit under, however, so they really might not be necessary!

What Do I Bring?

You can bring your own tables and chairs into the park but do keep in mind that there is quite a bit of a distance to walk from parking to where the seating area is. For safety reasons we can't allow you to drive into the park to drop your items so they will need to be carried. A wagon is GREAT for this and a cooler on wheels! You are also allowed to bring your own food and ANY drink you would like to drink to consume at your own space. There will not be a food sharing area set up. Of course, bug spray and sunscreen would also be 2 great things to bring!

What Else Do I Need To Know?

There will be folks stationed around to assist with guiding you on where to park. PLEASE be mindful of the immediate neighbors - do not park in their yards or driveways and do NOT block access to their driveways! Drive slowly coming down towards the park as many folks might be walking along the road. Please do not drive into the park unless you need handicap parking or are directed to do so by volunteers.

What if I Have More Questions?

If you have any further questions, please email Stephanie Johson at s.johnson@artisankitchenswv.com. This is also where table reservation inquiries can be directed.
