

Winter Camp Park

A Community Gathering Place

Park News - October 19, 2017

Winter Camp Park has first “official” Picnic!

We would like to thank all our fellow neighbors at The Woods who came to the Picnic in the Park on September 3rd. Over 150 people participated in this first event to inaugurate a wonderful natural resource for all in our community. All geographic sectors and age groups of our community were represented. It was a beautiful afternoon, though the rain earlier in the day caused a bit of anxiety on the part of the planners. Check out our website for pictures of this fun event. We plan to make this an annual event on Sunday of Labor Day weekend. So mark your calendars for September 2, 2018!

First Pavilion in Winter Camp Park Completed

The new pavilion was completed just in time for the September 3rd Picnic in the Park. As with the rest of Winter Camp Park, the pavilion is open and free for all Woods residents to use – donations are appreciated. While it has not yet been equipped with permanent picnic tables, there are tables and chairs for use. Plans are to complete the second (smaller) pavilion by

springtime, with similar functionality to the current pavilion. By spring, there will be processes available to reserve the pavilions for your use. In the meantime, they can be used on a first come basis.

We need to squelch a rumor that the pavilion needed to be torn down. This is **FAKE NEWS!** The pavilion is completely approved!

Social Hour on Wednesdays a Success

Thank you to Georgette and Harry Kauhane, who suggested a Wednesday afternoon social hour at 5 pm for residents and their guests, which started October 4th. We've had a great turn out. Before the weather becomes too cold and the Port-A-Potty goes into hibernation for the winter, please come and join fellow residents at the Winter Camp Park Pavilion for socialization and shared cocktail snacks. Bring your own drinks. November 1st is the last day for this event in 2017.

Park Information Bulletin Board

There is now a bulletin board as you enter the park which displays a map of the Winter Camp Park, a map of the trails that flow through the park and tie into the Sleep Creek trails and other pertinent information.

A Hearty Thank You to Park Supporters

For those of you who have given contributions for immediate park needs (such as equipping the pavilions with picnic tables and annual operating expenses), we extend a very sincere thank you. We are excited about the potential of this conserved space to expand our quality of Woods life. It is an attractive new area that demonstrates to potential homebuyers the strong sense of community that we have in this special part of West Virginia. We do appreciate any others who wish to contribute to our mutual enjoyment of this attractive new amenity for the entire Woods community. Note that PayPal is now activated on our website for your convenience. Check out our website listed above for more ways to contribute to this community effort.
